

## **My naming portfolio:**

### **F&B:**

1. "Pleasureville". Name was created based on the unique mix of the restaurant with a private night club and gaming room. Thailand.
2. "Fish fetish". Exquisite luxurious seafood restaurant with cabaret and exotic dancing show. Thailand.
3. "Loud Tao". Unique 3 stories concept unified restaurant, terrace and night club. Asian interior and menu and night club mix was required to be reflected in the naming so I combined mentioning the Yin Yang principle Tao with the word Loud. Bahrain.
